DENIAL

OF STATE ENGINEER

This is to certify that I have examined the foregoing application, deny and do hereby grant the same, subject to the following limitations and conditions on the grounds that the granting thereof would impair the value of existing rights and be detrimental to the public welfare.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial

use must be filed with State Engineer on or before

Map Filed JUN 19 1948 under 12410

WITNESS MY HAND AND SEAL this 16th day

of July, 1953

State Engineer.
